

## **Mobile Hydraulic Engineer – Job Description**

Pirtek Wirral is seeking a full-time Hydraulic Engineer to join their team, catering to assignments in Wirral, Runcorn, Chester, and North Wales. The Hydraulic Engineer will undertake daily tasks related to hydraulic systems, including hose replacement and repair services, as well as hose servicing and analysis. If you have hands-on experience in hydraulic system design, diagnosis, and maintenance, along with excellent problem-solving skills and a commitment to customer service, we'd love to have you on board.
